

BRISTOL ART MUSEUM MEMBERSHIP APPEAL

Please consider becoming a member.

The Bristol Art Museum is a non-profit organization established in 1963. Our mission is to encourage the creation, promotion and appreciation of the arts through exhibitions and educational opportunities. Community outreach programs and partnerships are central to our goal of engaging diverse audiences in the arts of our time.

We are an all volunteer organization and our existence depends on the support from our members.

BAM produces three shows annually in the Linden Place Ballroom. In addition, we are cooperating with RWU and Rogers Free Library to present works by regional artists as well as local students.

Members receive a 10% discount on art purchases, invitations to show preview parties and special events.

The Bristol Art Museum is an IRS designated 501(c)(3) organization, your donation is fully tax deductible.
